Kazama, what are you saying out of the blue like this?
You d best be careful.
Something bad will happen to you very soon.
SFX: *door closing*
H-Hey!

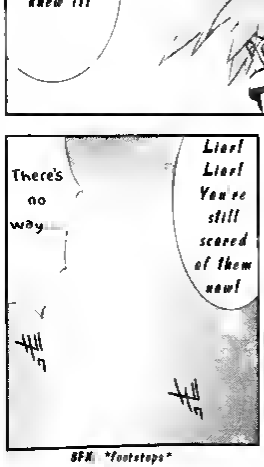
SFX: *talking*
SFX: *talking*
What is with Kazama talking about
"Ominous visions" and that?!
Bet Kazama-san's predictions usually come true
It's probably a good idea for you to be careful
That's all just a coincidence! Nothing more
You sure about that?
There are rumors that Kazama-san can see things other people can't and that she can hear ghosts

You really don't have to get so mad about it
You know

In reality, there's no way that such things as ghosts and monsters could exist.
People just claim that's the truth.

Could it be you're scared?
WHA...?!

Aha I knew it!
What are you talking about, Natsuru?!



There's no way...
Liar! Liar! You're still scared of them now!
SFX: *footsteps*

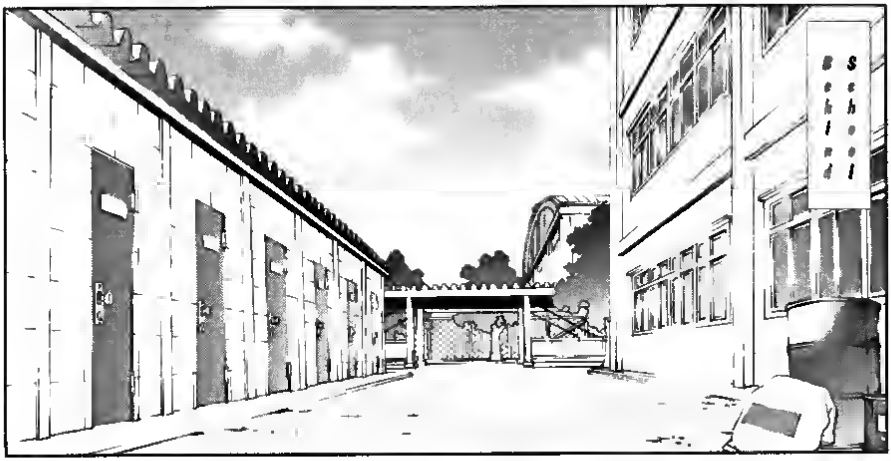
That was way back when I was a kid!
Either then you've been scared of ghosts since Kindergarten!

SFX "shiver"
Nothing... I just felt a chill all of a sudden.
?
What's wrong?
SFX "burbleg"
SFX Rrrrrgggg! Hsssssssss!
Wh- Wha...?
Huh?
Gah!
?

SFX: Aaaaaaaaaaaaaaah!
SFX: *barking*

The next day...
SFX: *DAN* (small) *irritated*
SFX: Stoooooooooooo
(TL Note: A beat sound used when something shocking, or just in general, appears.)
?
Yeah, it did!
It looks like something bad happened to you...
Yes.
W-What? Can you see something?
SFX: *Waaa Waaa*
and the big ones followed me until I fell into a drainage ditch! Why is it that this...
I was threatened by cats, barked at by dogs.

SFX: *plop plop plop*
I see the spirit of a puppy that was run over by a car.
SFX: Aaaaaaaaaah! (small) *flap flap*
That's it that's why the dogs and cats were so riled up!
SFX: *sob*
It's simple.
What should I do?!!!
Wh-
Wh-
SFX: *gloom*



Hey... is this get up really necessary?

The Occult Research Society

Let's begin the exorcism.
SFX: *swish*
Oh
SFX: *pat pat*
SFX: *grasp*
SFX: *shake*

SFX *yip* *yip*
SFX *yip* *yip*
……!
S-
Stop it!
SFX *shake*
That puppy looks like it's in so much pain!!
Huh?
Please! Just stop it!
SFX *shake shake*

He'll only be barked at by dogs if he stays like this right? So
That's fine!!
But then I can't exercise it.....
Don't speak for me
That certainly is all that will happen for now...
but the spirit will likely become malevolent.
Gah! Screw that! Exorcise it!!
But
If that happens, it will probably lose all reason and indiscriminately attack nearby girls.
SFX: *gasah*

Really ?!
.....It's not that there isn't, but .....
Hey Kazeme-see is et there eey ether way?
SFX: "glow"
A weeder-iey spirit inte yeer hedy ?
then it should be able to pass on and find peace.
If I let it possess my body so that it can fulfill whatever it still desires to do,
A soul often becemes a wan-dering spirit because it still has an attach-ment te this werld.

It's not that kind of possession, to put it simply.
It can't possess someone like Kitaro-chan?

ゴゴ…

Allowing it to possess me means that I push my consciousness deep into my heart...
and allow the spirit to take complete control of my body .....

This will effectively render me unable to do anything,
and leave granting whatever desires the spirit wishes to fulfill to you.

No matter what!
I'll do it!
H-Hey... what...
All right... then...
SEX

SFX: xtaaaaaaaaaa

SFX: *Cr aaaaaak*

SFX: *pop*

!!?
Mas-terrrrrrrrr!!
Wh-Whaaa! Stop it!
SFX: *stare*
Huh?
You're not master
SFX: *stare*
Waaaaaaaaaah! You're not master! Master...
Where are you?

SFX. *sob*
SFX. *sob*
SFX. *sniff*
SFX. *sniff*
SFX. *dzip*

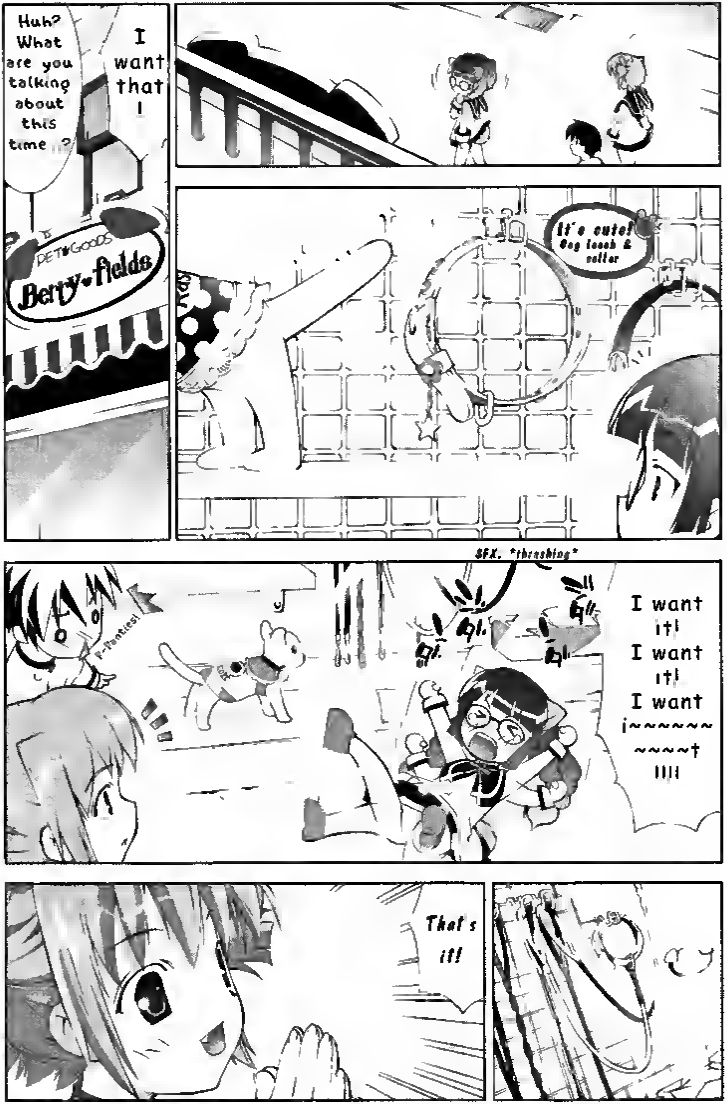
But... But... the ball went bauncing around and I just had to fallaw it!
SFX. *drip*
So that's why you followed him
I see Potch-chan's master looks like Eitaro-chan
SFX. *sniff*
Awfully clumsy, aren't ya?
But while you were out on a walk you got away and got ran over by a car
Eitaro-chan!!
SFX. *shonk*

I just....
I just wont ta say goodbye to master ..
If I don't....
If I don't...
It's all right
We'll go looking for your master so don't cry anymore
But what do we do?
We don't even have an address
Kitsune school

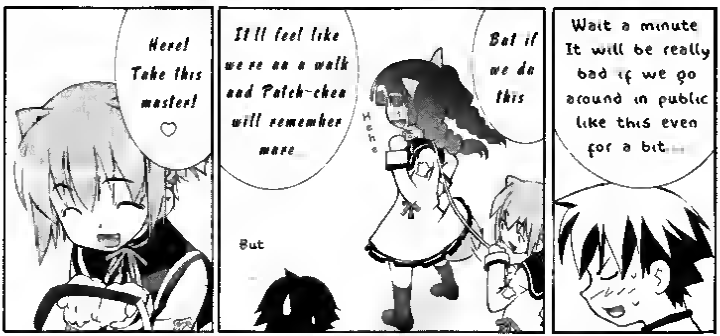
(FI. Note: Yes... patch is a MALE dog. You will know why I know this soon >.>)
he should be able to lead us from here by scent.
Since Patch-chan is a dog
This is where the accident happened
SFX: *looking around*
You think so?
!?
SFX: *SNIFF*

HEY!
He found it!
You see?
SFX. "woosh"
Potch-chan!
SFX. "thump"
SFX. "crash"
SFX. "running"
SFX. "pant"
SFX. "gasp"
SFX. "gasp"

Oh come on we just got started
.....
Jeez, can't you be more serious about this?



Huh? What are you talking about this time?
I want that!
PET'n GOODS
Berry-fields
It's cute! Dog leash & collar
SFX. *thrashing*
I want it! I want it! I want i~~~~~~ ~~~~t !!!!
T-Panties!
That's it!



Here! Take this master! ♡
It'll feel like we're on a walk and Patch-chan will remember more...
But...
But if we do this
Here
Wait a minute It will be really bad if we go around in public like this even for a bit...

What is that? Cosplay?
Young people these days....
I'd like to see the look on their parents' face...
Animal training role-play?
SFX: *talking and whispering*

SFX: *sniff sniff sniff*
?
?
SFX: *HMMM*

Well, we still haven't found anything yet.
I don't think this would do us any good.
..... hey, what's wrong with you all of a sudden?
This..... is master's house .....
Huh?
SFX: *drop*

SFX: "Orzuuu"
(a surprise type sound)
It's been torn down
But But why?
The house was right here
I wonder... if they moved..
Probably
Oh? It's been a while ...

?
I'm sorry. I mistook you for someone else. You look a lot like Nagasawa-san's son .....
Oh ...

U-Um, do you know where the people who used to live here went?
Y-Yes ...

Well, since it's too late to go tonight, let's go tomorrow.
(Good thing it's Sunday!)
They live about thirty minutes from here by train
Let's see ...

Y-You idiot! Like you can do that! First of all, I'm not your mast--
I'll go with this master!
But what do we do with her?
Oooh
SFX *sob*
SFX *sob*
If I tell my mom you're a friend staying over I'm sure she'll say it's okay!
In that case come with me!
Okay! Let's go!
Yeah!
Really ?
And for dinner I'll ask my mom to make the croquettes you like so much!

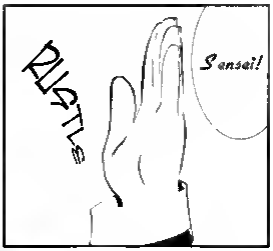
CHAPTER 1: PRECIOUS THINGS

CHAPTER 1: PRECIOUS THINGS

YAWN
I'm Yanagi Eitaro.
As you can see, I'm just an ordinary high school student.
This is Otokonoki Natsuru.
She's been my friend since childhood, but it's not like she's my girlfriend or anything.
And... this is Kazama Miori.
Everyone says she has a sort of spirit-sense and that she can see things other people can't see, but...

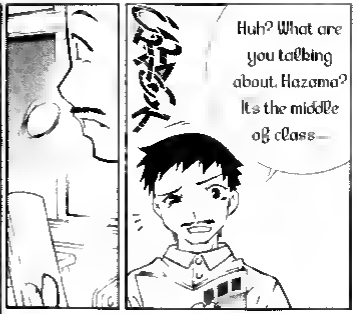
CHAPTER 1: PRECIOUS THINGS

What is it, Hazama?



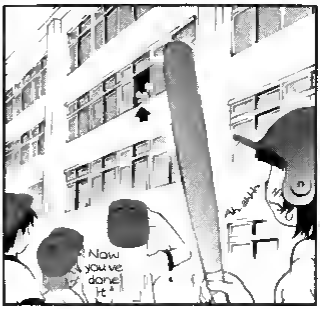
Sensei!

Very soon, something very bad is going to happen to you.



Huh? What are you talking about, Hazama? It's the middle of class—

Sensei...
roll roll



Now you've done it.

Amazing! She was right-on again!

I've heard rumors that she's got some mysterious power to find things that have gone missing.
Really?
But that could be kind of disturbing.
Kazama must really be a spiritualist.

If you go with all your might, you're sure to clear it.
That statue can bring out a person's latent powers.
It's all right.

Kazama-san, will this thing really work?

No way...

In that case, you should take your most precious possession with you and keep it close.
Let's see...

That way, since all your feelings are confined in one place,
that precious place will give you strength.

Your most precious possession
Hey, Natsuru! Are you listening?!

R...right Sorry.
Then I said that since we have no school on Saturday, let's go together.
...geez, you said that you wanted to go to Marine Park.
What were we doing, again?
Uh, Umm,
What time did you want to meet tomorrow?
Uh... yeah What?

Now, I'm ready!

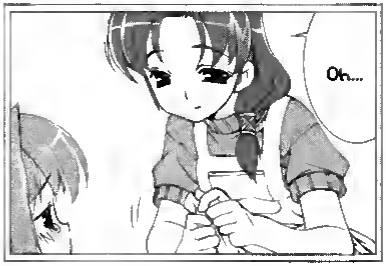
It's okay. This is how you put it back together.



Oh...

If you go like this, it's back!
Well...
Look, see this place that looks like you can put some-thing in it?
Daddy didn't tell me about that.
Thank good-ness!

I heard rumors that there was something haunting the construction site around here so I came to investigate
W-Well if it isn't Kazama. What are you doing here?
Hey, Kazama -san!
You can find things that are missing with your spirit sense, right?
Please! Help me find something!
Just... what are you looking for?

This is used for dowsing.
If you think about the item you're looking for, your desire to find it will be transferred to the crystal and it will point in the direction of the item.
Now, Otokawa-san, you need to transfer your feelings into the crystal too.

If the spirit answers, it will guide your fingers and move the 10 yen piece over the letters and transmit what the spirit is saying.

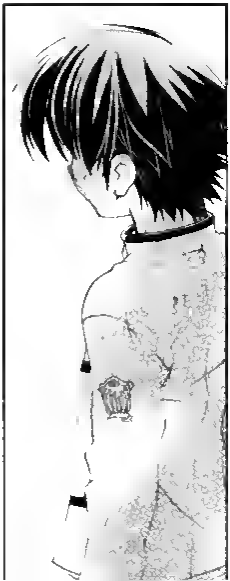
died.

It seems she jumped in front of a truck and died instantly.

When I went to see her in the hospital.

She looked so peaceful.



I'm not sure why, but I never shed a tear at the hospital nor at the funeral.

The time I finally cried

What's wrong? You're really sweating ...
Uh, well...

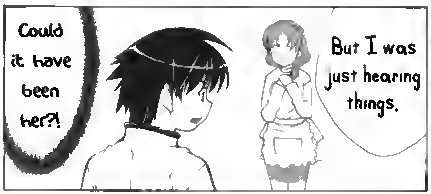
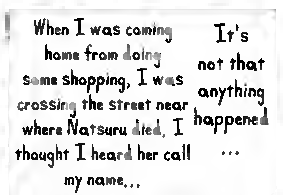
Changed? No, not really, but now that you mention it...

U-Um... let's see... has anything changed lately?

I can't just ask her if Natsuru has come home...
Ah, how do I go about saying this?
?



Could it have been her?!
But I was just hearing things.



When I was coming home from doing some shopping, I was crossing the street near where Natsuru died, I thought I heard her call my name...
It's not that anything happened ...

Eitaro -kun! Wait!

you were.

You saw your mom?

I wasn't thinking and called out to her... but Mama didn't recognize me.
Natsuru ...
This is Kazama-san's body, not mine!
Of course she didn't.

I'm really... still dead, aren't I?

There's a lot of things we need to think about, but...
What happened to Kazama -san and such
Well, you have to think of what to do now!
But... but... you were able to come back like this, right?

~ Dedication ~

This story is dedicated to a special person.
A person whose kindness, thoughtfulness and mere presence
touched the lives of many.
I am not speaking of someone you would read about in the newspaper
or someone you'd hear about on T.V.
I am speaking of a little Tarutaru White Mage, a loyal friend and member of the
DiomedsKessen linkshell on the Ifrit server of Final Fantasy XI.
It is this very person behind the character I met online that encouraged me to begin
translating anime, through which I got involved in the creation of Manga-Heaven.
In the afternoon of May the 5th, 2006; Mary Kelly, known to us as "Bunini",
the aforementioned Tarutaru White Mage, passed away.
She was in the hospital recovering from a bone marrow transplant.
She is, and forever will be, greatly missed by all of us.

For those of you who have shared in similar pain,
I offer you this story.

And to Mary Kelly, we at DiomedsKessen
will always remember you.
May you rest in peace.
